Boys Toys

Buckle up, boys! Your tech-savvy host will show you some mind blowing toys for big boys. Experience outrageous bikes, watercraft, flying machines, and the ultimate "man-cations" which will leave you in awe!

Dangerous Waters

A small expedition of brave men take a voyage across the Bering Strait on personal watercrafts for an adventure of a lifetime.

Tasting America

From San Francisco to Boston, join us to discover America by sampling the local food and getting to know the people. We'll dine at three restaurants exclusive to our unique destination. Then we'll crown our favorite.

Travel in Style

Travel with us and experience the most ultra-exclusive vacation destinations from around the world. Enjoy "bucket list" travel from panoramic countrysides to the most amazing water locales.

Selling Yachts

Join a discriminating couple as they search for their yacht. Will the broker seal the deal? Which yacht will fulfill our buyers' dreams? We're taking you on the water to experience the world of mega yacht living.

Find Me a Beach House

We all have a fascination with the beach, and we are tasked with helping our buyers find the perfect beach house. The challenge is to find a house that will suit everyone's needs.

Behind The Gates

Ever wonder what life is like inside those truly amazing mega-mansions? Get ready for a VIP tour of the most incredible homes and go Behind the Gates.

Private Islands

Did you know that there are more than 12,000 private islands in the world? Get away from it all - we're escaping the pressures of everyday life and finding secluded paradise with Private Islands.

Selling Mega Mansions

The biggest deals in real estate happen in the world of Mega Mansions! Follow these brokers as they find the perfect fit and the hottest homes in the world.
